WHAT TO KNOW ABOUT SOLAR INSTALLATION

At Tri-County, we care about our members. We want you to be informed and have useful resources to reference as you consider solar solutions. Please explore the URLs included in this document to learn more about solar installations.

- Solar permits are usually required and vary by city. Be sure to visit your city's website for more information
- Most insurance companies cover solar panels under your homeowner policy. Contact your insurance provider for more information. Click [here](#) to learn more about solar panel insurance.
- Consider [joining SEIA](#) (Solar Energy Industries Association) for access to their database on solar projects and recommended solar installers

Click on the links below to learn more about legislative bills, property and tax codes related to solar installation in Texas:
