## Efficiency Tips for Cooler Weather What are you doing to prepare?

- 1. Air seal and insulate your home.** Prevent heat from escaping and cold from entering your home by insulating.
- 2. Use a programmable thermostat.** Reduce energy waste by using a programmable thermostat that lowers temperature at specific times.
- 3. Install Energy Star doors and windows.** Added insulation in Energy Star products will save you money by keeping the warm inside. 7610100001
- 4. Turn off the lights.** Savings can add up when you turn off lights and electronics when not in use.
- 5. Unplug electronics.** Electronics, such as DVD players, TVs and computers, use energy even when not in use.
- 6. Weatherproof windows.** About 30 percent of heat can escape from low-efficiency windows during cooler months.

# Candied Pecans

Gary Bender of Weatherford

- 1/2 cup granulated sugar
- 1/2 cup packed brown sugar
- 1 tablespoon ground cinnamon
- 1 teaspoon salt
- 1/8 teaspoon cayenne
- 4 cups (12 ounces) unsalted pecan halves
- 1 egg white, whisked
- 1 tablespoon vanilla (optional)

Combine granulated sugar, brown sugar, cinnamon, salt and cayenne to a large bowl or ziplock bag. Toss or whisk until evenly combined. Set aside.

In a separate bowl, add pecans and egg whites. Gently toss until combined and the pecans are evenly coated. Add the sugar mixture. Toss until combined.

Spread the mixture out in a single layer on a parchment-lined baking sheet. If your baking sheet is not large enough, you may need to split the batch onto two baking sheets.

Bake at 300°F for 40 minutes. Stir every 20 minutes, until the pecans are fragrant, and the sugar coating is cooked. The sugar will harden more once the pecans are out of the oven.

Remove from the oven and place baking sheet on a cooling rack until the nuts reach room temperature. Separate any that are stuck together and transfer them to a sealed container to store until ready to use.

Enjoy!

## Recipe Submission Form

Please submit your favorite recipe and this form to the Communications Department.

The recipe submission is a free and voluntary service provided by Tri-County Electric Cooperative. As we have more than 85,000 members, we may receive high volumes of submissions. Recipes must be submitted before the 20<sup>th</sup> of each month to be considered for the next issue of the *Texas Co-op Power* (i.e., October 20th for the December issue). We reserve the right to refuse any recipe. Please submit recipes through the postal service or email and not on the back of your payment stub. These stubs are processed automatically because we receive hundreds daily. 800822618
