80th Annual Meeting of the Members

Tuesday, October 1, 2019 Weatherford High School

2121 Bethel Road, Weatherford, Texas

Registration, Dinner and Entertainment begin at 5 p.m. Business Meeting & Door Prizes begin at 7 p.m.

Tri-County Electric Cooperative's Annual Meeting is an opportunity for you, our cooperative member-owners, to become more involved and informed on your co-op.

One way to get involved is voting on who sits on the Board of Directors. This year, Districts 5, 9 and 10 are up for reelection. The entire membership has the opportunity to vote, regardless of the district you reside. 836300001

Annual Meeting notices were mailed with the September *Texas Co-op Power*. Please plan to attend Annual Meeting, or return your ballot by mail before Friday, September 28. Members will either receive a \$12 bill credit for attending or a \$5 bill credit for mailing in their ballot as an absentee.

Support your co-op by participating in the 80th Annual Meeting!

Retiring Capital Credits

This year, our Board of Directors will retire \$2.659 millon to member-owners who received electric service in 2000 and 2001.

Active Members:

- For active members receiving captial credits of \$150 or less, the Cooperative will credit the member's account.
- For active members receiving capital credits of \$150.01 or more, the Cooperative will issue a check though the postal service. 8138300001

Former Members:

• For former members, the Cooperative will issue a check through the postal service, deliverable to the last know address.

Our New Meter Tampering Policy

Tri-County Electric Cooperative puts the safety of our members, employees and community first. To ensure the safety of all, our Board of Directors passed a new meter tampering policy. Starting Tuesday, October 1, our employees will fully enforce the new policy.

New Policy: Unauthorized individuals who are found to be tampering with, or have gained unauthorized access into, metering equipment or electrical devices supplying power to metering equipment—including but not limited to meters, service wires, transformers, fused cutovers and primary wires—shall be prosecuted to the highest extent permissible by law. 800796697
